These meetings are a profoundly enriching time — an important place for us to explore God's Word and pray for one another. They serve to:

- Provide a source of encouragement and prayer support for people serving.
- Spur us on in discovering what God's Word has to say about this area of ministry.
- Generate ideas and prayer support for those who are developing new areas of service and commitments.
- Build awareness about related resources so that referrals can be made easily.
- Help us learn from each other's successes and challenges.
- Identify complimentary services or opportunities to collaborate with each other.
- Help one another feel connected to others who share the passion, vision and responsibilities.
